To Whom It May Concern,

Robert Sherez has been a Home & Hospital Tutor for our district and school for over 10 years. During the week of March 10th, 2000 ; I contacted him to tutor a student to start immediately for 10 hours per week to run through ESY (Summer School). This required him to start immediately. Unfortunately due to his vehicular injury he was unable to accept this job assignment. This assignment would have lasted for a minimum of 17 weeks. If you have any questions please contact me.
